List below all Connecticut locations of any building or premises on which the school is located as a branch or, requiring approval (in the case of a new school). A branch is defined as a subdivision of a school located at a different facility and geographical site from the school, which (1) offers one or more complete programs leading to a diploma or certificate; (2) operates under the school's certificate of operation; (3) meets the same conditions or authorization as the school; and (4) exercises administrative control and is responsible for its own academic affairs at the site. A branch DOES NOT include an additional classroom site, which has no responsibility for the administrative control or academic affairs at the site.
