Whether you are looking for credit-bearing college courses to finish your degree, or non-credit programs for self-enrichment, you can easily explore available options, and even register to attend, online. The following search engines list the educational and training programs offered by Connecticut colleges and universities, adult education, occupational schools and other agencies. For more information on any of these options and related information, call or email the Education & Employment Information Center, a statewide clearinghouse operated by the Office of Financial and Academic Affairs for Higher Education.
