

# Questions to Ask When Choosing a College

Finding the college right for you is an exciting and, at times, challenging experience. With so many choices, you may likely wonder where to begin. A good first step is to tailor your choices based on which colleges offer the academic programs that best match your interests. You can search programs offered by Connecticut colleges and universities by going to [www.ctohe.org/heweb/ProgramSearch.asp](http://www.ctohe.org/heweb/ProgramSearch.asp).

The college you select is the most significant investment you can make in yourself. Be sure to ask savvy consumer questions as you research colleges. The list below offers some suggestions you can use as you talk with campus recruiters and explore college websites.
